

Widows Support Group

Last Updated Sunday, 23 March 2014 10:27

St. Philip Parish offers widows the opportunity to find support from other women who have suffered the loss of a husband. Loneliness can add to the grief. The Widows Support Group is an informal gathering of women with two components: social and spiritual. If you are interested in learning more or want to participate in this important ministry, please call Mary Ann Geinzer at 412-922-5480.
