

Each year St. Philip Parish sponsors a parish festival on church grounds. Proceeds help to support our parish and school. Food booths, dinners, games, a flea market, raffles and live entertainment attract large crowds. A lot of fun is generated. But the festival requires planning for it to be successful. Volunteers are also needed to man the booths and clean up afterwards. If you are interested in being on the Festival Committee or in helping in any way, please call the parish office.
