

St. Philip Catholic Men's Fellowship Group is open to all Catholic men from the Pittsburgh area. The group was originally formed in 2004 and has been meeting weekly since then. The current meeting date and time is every Wednesday evening from 7:00 to 8:30 P.M. in the parish center. While many members meet weekly, any Catholic man is encouraged to come whenever he is available.

St. Philip Catholic Men's Fellowship Group discusses current issues of our faith and how our faith influences our lives as Catholic men, Catholic fathers, Catholic brothers, Catholic grandfathers and Catholic friends. Topics change weekly, and there are free-flowing discussions which center on our faith.

For more information, call the parish office for the group leader's name and contact information.
