

Ushers

Last Updated Sunday, 23 March 2014 10:21

Ushers serve the worshipping community in important ways. They seat latecomers, take up the collection and assist those going to communion. They also come to the aid of those who become ill in church. If a person needs medical assistance, the usher calls for an ambulance. They also distribute the Sunday bulletin, answer questions and direct people as needed. If you are interested in becoming an usher, please call the parish office.
