

Worship Commission

Last Updated Sunday, 23 March 2014 10:20

The parish Worship Commission assists the pastor and parish staff in the planning of liturgies and creating an environment conducive to worship. They organize and assist at the annual Anointing of the Sick Mass, decorate the church for Christmas, Easter and Thanksgiving Day. They select meditation/spiritual reading materials for distribution to parishioners for Advent and Lent, and help parishioners raise their minds and hearts to God in prayer. The Commission meets several times each year. If you are interested in adding your talent and love for worship to the Commission, please call the parish office.
