

Landscape Volunteers

Written by Walter W. Dworak

Wednesday, 04 August 2010 15:08 - Last Updated Sunday, 23 March 2014 10:19

Each spring volunteers with green thumbs plant flowers and various plants around the church, rectory and convent. They continue to pull weeds and water the plants throughout the summer.

If you have a green thumb, love nature and the outdoors, and would like to adopt a space to make beautiful, please call the parish office.
